hela6.github.io/leahJLportfolio/

I first discovered programming three years ago and am currently studying to obtain an AS/HND level in web development with Online formaPro. I love dark, minimalist aesthetics, whether in web design, art or fashion.

Skills :

Front-end :

- Website design, creation/management : **Figma** - HTML5 - CSS3 - Bootstrap - Sass - **Javascript ES6** - API
- Responsive Design
- **Vue** and **React** frameworks

Back-end :

- Back office with **PHP/Twig** in MVC architecture
- Database creation and management: **MySQL** - SQLite - **PHPmyAdmin**

Versionning with **Git** & **GitHub**

Communication and writing techniques
